

# Polyglaze®

## PZ TILE & STONE CLEANER

### PRODUCT DESCRIPTION

Polyglaze PZ Tile and Stone Cleaner is an acid based detergent formulated for the removal of cement residues, yellow stains and salt deposits from tile and stone surface, without damaging the surface finish or grout joints. It is suitable for both residential and commercial applications.

### AREAS OF APPLICATION

- ◆ All types of Tiles and Natural Stones
- ◆ RCC surfaces

### ADVANTAGES

- ◆ Removes stain and cement residues effectively
- ◆ Fast-acting
- ◆ Effective for heavy-duty cleaning
- ◆ Safe on variety of tiles and stones

### PACKAGING

- ◆ Polyglaze PZ Tile and Stone Cleaner is available in 1L, 5L bottles and 25L cans

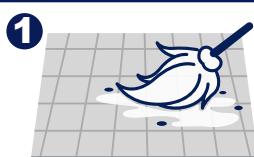

### STORAGE & SHELF LIFE

- ◆ Store in a dry place away from moisture and sunlight
- ◆ 24 months from the date of manufacture in unopened sealed condition

### PRECAUTIONS & LIMITATIONS

- ◆ Always perform a patch test on a small area before full application to check for surface compatibility and desired results
- ◆ Wear protective hand gloves and mask before application
- ◆ Clean all tools with water immediately after application
- ◆ Mix well before use

### APPLICATION METHODOLOGY

Clean the surface with water. Ensure it is dry and dust free

Apply diluted Polyglaze PZ Tile & Stone Cleaner with clean water in 1:1 ratio on the surface using a cotton cloth or sponge.

Leave it on the surface for 5-10 mins then scrub away the stains and dirt with a white pad or scrubber.

Clean the surface thoroughly with water.

## PHYSICAL PROPERTIES

Physical Appearance	Transparent Liquid
Aspect	Nano Liquid
pH (5% in water)	2-3

## HEALTH & SAFETY

- ◆ Use a respiratory mask and protective gloves during application.
- ◆ Clean hands with soap and water after application.
- ◆ Avoid contact with skin / eyes. In case of unlikely contact, rinse eyes immediately with plenty of clean water and cleanse skin with soap and lukewarm water. Seek medical advice if irritation occurs / persists.
- ◆ In case of unlikely swallowing, seek medical attention immediately.
